

a fantastic opportunity to

advertise

your business in the Whitstable Harbour Day 2018 programme

from **£45**

Harbour Day 2017 attracted 7000 visitors from across the district and beyond. It was a fun-packed, enjoyable day for families, enthusiasts and visitors to get involved in our marine environment and coastal heritage.

Following requests last year we are able to offer a limited amount of advertising space in our 36 page programme for 2018.

Not only will the **FREE** programme be available from local outlets, it will also be available to download.

We also have sponsorship opportunities if adverts aren't suitable.

If you are interested in advertising or sponsorship please email zoe@whitstablemaritime.co.uk before 28th February 2018.

See reverse for information on advert sizes and pricing.
